

Welcome to Mitchell!

Mitchell is a young American boy. He is between twenty and thirty years old, he was born on August 9th.

He has German and Polish origins and speaks some French. He has one brother and two sisters, a big family. He has a cat; her name is August. He lives in Chicago, in the United States but lives in France this year.

Mitchell loves camping and hiking with his friends in Yellowstone Park because he can see deers in this place. He also likes cooking. It's a fabulous activity and he likes cooking spaghetti. He has a garden to cultivate vegetables. He also practices swimming and riding a bike.

He loves the Hobbit so much; he prefers the Hobbit to the Lord of the Rings. His favourite actor is Johnny Depp.

He likes French food, especially the raclette and the fondue.

Mitchell studies geography and urban planning because it's his favourite subjects. He graduated American University.
